Re: **Nomenclature Change**

Gentlemen:

As the result of Division Order R-10042 the following described well was placed in the Ingle Wells-Delaware Pool. Since the well has been converted to a salt water disposal well the nomenclature has changed as shown below. This change in nomenclature has been made in our files. Please change your records to reflect the proper pool name and pool code. All subsequent reports must show this nomenclature until further notice.

~~Swd-Bone Spring~~ *DELAWARE*  
**SDS 11 Federal Well No. 1**  
**Unit F, Section 11, Township 24 South, Range 31 East, NMPM**  
**Pool Code: 96100**

Transporters are advised, by copy of this letter, to change their records to reflect the proper pool name, and pool code.

Sincerely,

Mark Ashley  
District Geologist
