RE: Marquardt Fed #6 (30-015-28561) H-1-25-26

Dear Sir:

I am in receipt of Form 3160-5 from the Bureau of Land Management (Intent to Abandon) on the well referenced above.

Your intent to Plug & Abandon this well has been approved by the Bureau of Land Management and the NMOCD with an additional plug added to your procedure.

This approval action does not place the well into compliance with NMOCD Rules due to the time involved that the well has been inactive.

It is therefore required, to bring this well into compliance, that all work be completed **on or before May 17, 2002**.

Please be advised that failure to comply with the provisions of this letter **will** result in an application to Show Cause why the bond should not be forfeited and civil penalties assessed.

Respectfully,

Gerry Guye
Compliance Officer
Oil Conservation Division - District II
