36. I hereby certify that the information shown on both sides of this form is true and complete to the best of my knowledge and belief.

SIGNED

TITLE

Drilling Secretary

DATE September 1, 1982

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly-drilled or re-deepened well. It shall be accompanied by one copy of all electrical and radioactivity logs run on the well and a summary of all special tests run during the drilling and/or completion. All depths reported shall be measured depths. In the case of abnormally shallow wells, true vertical depth shall also be reported. For multiple completions, Item 30 shall be reported for each zone. The form is to be filed in a log book, if necessary, to be maintained, where six copies are required. See Rule 1105.
