INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly drilled or deepened well. It shall be accompanied by one copy of all electrical and surface safety logs run on the well and a summary of all special tests run during the drilling, drilling operations. All depths reported shall be measured depths. In the case of directionally drilled wells, true north shall be indicated on the log sheets. For multiple completions, Items 30 through 34 shall be reported for each zone. The form is to be filed in column 11 of the completion sheet only, where six copies are required. See Rule 1105.
