TITLE

Drilling Secretary

DATE September 1, 1982

INSTRUCTIONS

This form is to be filed with the appropriate District Office of the Division not later than 20 days after the completion of any newly-drilled or existing well. It shall be accompanied by one copy of all electrical and radio-activity logs run on the well and a summary of all special tests conducted. It shall be filed with the appropriate District Office. All depths reported shall be in feet. In the case of hydraulically drilled wells, true vertical depth shall also be reported. For multiple completions, Items 30 through 34 shall be reported for each zone. The form is to be filed in duplicate with the appropriate District Office, where applicable, and the appropriate District Office. See Rule 1105.
