Chaves Co., New Mexico

Dear Mr. Williams:

Enclosed you will find six (6) copies of Forms C-101 and C-102 for the above referenced well, as you may recall, this well was permitted for 180 days on November 3, 1982 (copy enclosed). The well was not drilled during this allotted time period and thus the permit expired. We wish to repermit the well and drill it this spring.

If there are any questions, please call me.

Very truly yours,

GRYNBERG PETROLEUM COMPANY

Chris C. Pennels  
Drilling/Production Coordinator
