Dear Mr Clements:

On behalf of McKay Oil Corporation, I would like to thank you for your cooperation and assistance in permitting of our well the McKay-Winston #1.

Enclosed are two applications to drill for the captioned wells. We are requesting approval of these applications on or before April 9th. I have requested single well bonds from the J. S. Ward Insurance Company on these wells. I will again ask them to call Santa Fe once the bonds have been issued.

We have also requested a blanket statewide bond to cover the Aikman State #1 well and any subsequent wells we may drill in the future. Once that has been obtained I will notify your office.

Very truly yours,

MCKAY OIL CORPORATION
