Gentlemen:

In reviewing our files, we find that the Application for Permit to Drill as well as the one year approved extension to drill the above named well have expired and cannot be extended again. Therefore, we are placing this file in our closed records.

If you should decide to drill this well at a future date, you will need to reapply at that time.

Please feel free to contact our office if you have any questions concerning this action.

Sincerely,

for 
Sandra L. Allen
