February 18, 1960

O. C. C.
ARTESIA, OFFICEPan American Pet. Corp.
Hobbs, New Mexico

Gentlemen:

On February 18, 1960 a survey was made to locate your No. 1 well on the State "BL" lease at a point 330 feet from the North line and 2272.11 feet from the East lines of Section 4, Township 18 South, Range 28 East, N.Mex.P.M., Eddy County, New Mexico.

A flag was set at the Quarter corner Brass Cap common to Sections 33 & 4, the transit was set up over the Brass cap Section corner set for the Northeast corner of Section 4. Thence chained S88°55'W 2272.11 feet, set a hub, thence S0°03'W 330 feet to the location site. Then as a check we chained N0°03'E 330 feet, thence S88°55'W 330 feet to the Quarter corner Brass cap common to sections 4 & 33 tying in flat with the recorded distances on the U.S.G.L.O. plat for that section.

I hereby certify that the foregoing survey was made in the field under my supervision and the same is true and correct to the best of my knowledge and belief.

Respectfully submitted

John W. West
