Gentlemen:

Application for Permit to Drill the subject well was approved on December 26, 1974; and to date, no progress reports, Form C-103, have been received. However; on a field inspection of said well, we found the conductor casing had been set prior to 2-4-75.

Please advise this office as to what your plans are concerning this well.

If you have any questions concerning this matter, please feel free to call upon me.

Yours very truly,

OIL CONSERVATION COMMISSION
