Attn: Bob Pitschke

Gentlemen;

Please find the attached Sundry Notice form 9-331 along with a revised well diagram sketch for our Bass 7 Federal #1 location. The change in the casing program is to comply with New Mexico State Rules (Order #63) concerning underground waters. The lease name has also been changed from Bass Federal 7 #1 to Bass 7 Federal #1.

If you have any questions, please contact me or L. M. Cure at the letterhead address.

Very truly yours,

🖌 E. Pullia
