Dear Sir:

Enclosed is a plat showing the area in a one mile radius of these proposed wells in the potash area. There are several unleased sections with federal minerals. The Oil Conservation District has instructed Yates Petroleum Corporation to notify the Bureau of Land Management as to our intentions to drill the above locations.

Should your agency have no objections to these wells being drilled please indicate by signing and returning one copy of this letter in the enclosed envelope. Thank you for your time and consideration given to this matter.

Sincerely,

YATES PETROLEUM CORPORATION
