Re: Enron's James Ranch Unit #16  
2100' FNL & 990' FEL Section 36, T22S R30E  
Eddy County, New Mexico

Dear Mr. Tower:

Western Ag-Minerals will not protest the location of James Ranch Unit # 16. The stated location is more than one quarter mile from our LMR which is the required buffer for this well.

Sincerely,

Ben F. Zimmerly  
Mining Engineer
