Gentlemen:

Enron Oil & Gas Company ("Enron") has filed its Notice of Intention to Drill the above described well to test the Bone Springs (oil) formation, with a proposed total depth of 9,400' subsurface. Pursuant to Paragraph 2 of Section G of Rule R-111-P of the New Mexico Oil Conservation Division, Enron hereby submits to you, as a successor in interest of Mr. Daniel S. Harroun, a potash operator holding potash leases within a radius of one mile of the proposed well, OCD Form C-101 and C-102, reflecting location of the proposed well, and the Notice of Intention to Drill for the well.

Enron hereby requests that you execute and return one copy of this letter to the undersigned reflecting your consent to the drilling by Enron of its well at the above specified location. A self addressed stamped envelope is enclosed for your convenience in returning the consent.

Sincerely,

ENRON OIL & GAS COMPANY
