RE: Nash Federal Unit Well #16  
330'FSL and 990'FEL  
Section 12, T-23S, R-29E, NMPM

Dear Mark:

I am writing in response to our telephone conversation and your letter to Mark Ashley of the OCD dated December 10, 1993 concerning the above referenced well location.

IMCF no longer objects to the drilling of this well.

Sincerely,

Dan Morehouse  
Supt. of Mine Engineering
