

CONDITIONS OF APPROVAL

If site construction activities have occurred, please contact this office at (505)887-6544 for surface reclamation instructions.

If you wish to drill this well at a later date, please submit a complete application (1 original and five copies). Because the permit is being withdrawn, the resubmitted APD will be subject to all of BLM's normal processing requirements including the 30-day posting period. Please indicate on the resubmitted APD that it was previously approved and we will review the withdrawn file for information which will help to expedite the processing.
