13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

We respectfully request an extension to the drilling permit issued for this well on September 6, 1995.  
We obtained an extension to Sept. 6, 1998, anticipating that the well would be drilled during the first quarter of 1998. Economics are being evaluated; we would appreciate a 12 month extension to the permit.
