Gentlemen:

Reference is made to your letters advising that the APD's that we have filed regarding the captioned wells were administratively deficient as to a Private Surface Owner's Agreement or Statement that an Agreement has been reached covering surface use.

Please be advised that Pogo has reached an agreement with the surface owner whereon the subject wells (along with access route) are located.

As requested, please find thirty (30) duplicates of this letter (six [6] copies for each of the five [5] subject wells.)
