Dear Mr. Winkler:

Enclosed please find your copy of Desert West Archaeological Services (DWAS) Clearance Report for MALLON OIL COMPANY's proposed Mallon "16" State Well No. 2 and access road located in Section 16, T24S, R26E, NMPM, Eddy County, New Mexico. No cultural resources were encountered during this survey. Archaeological clearance is recommended for this project. No further archaeological work should be required.

The State of New Mexico will review this report and make the final decision on archaeological clearance.

If you have any questions, please call our office.

Sincerely,

Arita State
