3-18-04

In response to the letter dated March 10, 2004 regarding status of well operated by Caulkins Oil Company. This well was shut-in June 30, 2003 for pressure build up. To date, it has not pressured up sufficiently to go back to sales line.

This well will continue shut-in status at this time. We will submit sundry to plug and abandon this well sometime in July or August 2004.
