	<input checked="" type="checkbox"/> Other Workover Operations

13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give the proposed azimuths and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the bond number to file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a new completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only when all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)
