Richardson Operating Company requests the name of the well as referenced above be changed from the original APD application, which was the Federal 43-10 #3. Per OCD requirements the infill well must be the same as the parent well, which in this case was the Federal 42-10 #2. The APD filed for on 9/29/03 had the name of the Federal 43-10 #3. Therefore the well name will be the Federal 42-10 #3. All other information shall remain the same.

A revised C-102 is attached.

This well has not been drilled.
