13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

This well was recently deepen from the Chacra to the Mesaverde. A subsequent sundry describing the work performed was filed electronically on 2/27/2004.

In the process of deepening the well to the Mesaverde, a 4-1/2" liner was run and cemented, thus plugging off the Chacra formation.

The plugging date of the Chacra was 12/9/2003.

14. I hereby certify that the foregoing is true and correct
Name (Printed/Typed)
