13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

This well was plugged back to the Pictured Cliffs.

Richardson Operating Company plans to recompleate this well in the Pictured Cliffs and Fruitland Coal formations.

Approval has been received from the Navajo Nation for ROWs and pipeline installations. However, this is an area of Raptor concerns and work cannot progress until after July 31, 2004.

Recompletion and pipeline work is expected to commence in August, 2004.

Work to be completed by 10/01/2004.
