13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Amend originally permitted TD of 3406' to 3460'.

In order to facilitate a production sump, it is proposed to drill approximately 50' into the top of the Pictured Cliffs Formation.

A Mud logger will be on site to monitor drilling activity into the Pictured Cliffs Formation.

Re: Notice to Affected Persons  
Basin – Fruitland Coal Infill Wells  
San Juan County, New Mexico

Dear Mr. Hayden:

Enclosed, please find the Certified Return Receipt Requested for the notice sent to BP Amoco regarding drilling the Gardner C well No. 3A infill. I have also attached a copy of the cover letter sent to Ms. Mary Corley with BP Amoco for your files.

This should be the final item to complete the APD for this well. In the event you find you require any additional information, please give me a call.

Sincerely,

Dianne Sumrall  
Production & Regulatory Coordinator

Re: Gardner Fruitland Infill Well  
Gardner C-3A  
S/2 Section 31, T-32N, R-8W  
San Juan County, New Mexico

Dear Ms. Corley:

Per our conversation this date, attached for your review is information originally forwarded by Koch Exploration Company, which seems to have been inadvertently sent to an incorrect address.

This notice was made pursuant to New Mexico Oil Conservation Commission Order R-8768-F dated July 17, 2003, noticing that we plan to drill an infill well located inside the High Productivity Area of the Basin-Fruitland Coal Pool.

The affected parties have twenty (20) days from receipt of this notice in which to file with the District Office of the New Mexico Conservation Division written objection to the proposed Application for Permit to Drill.

If there are any questions regarding this notice, please feel free to contact me at (713) 890-3651

Sincerely,

A handwritten signature in black ink, appearing to read "Dianne Sumrall", with a long horizontal flourish extending to the left.
