13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

We were given until 5/31/2004 to return this well to production. Our schedule and rig availability has not allowed us to complete this work. Our working interest partners in this property have not approved our proposed action. We realize that this is an internal matter for our company, but we must have their concurrence prior to commencing any work. Within the next 60 days, we will have completed our correspondence with our partners and will have work completed and reported to you within 90 days.

14. I hereby certify that the foregoing is true and correct.
