13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

We are not permitted to produce this well because it is the second well in a spacing unit. Request long term shut-in until we can apply for permission to produce it as the second well in a spacing unit. We will comply with BLM/OCD requirements for temporary abandonment/long term shut-in.

THIS APPROVAL EXPIRES JUN 01 2005

14. I hereby certify that the foregoing is true and correct.
