13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Please reference BLM letter of March 04,2004, and our Sundry NOI indicating our intent to run slick line, tag and test the subject well in order to restore it to production. Attempt to restore well to production was not successful, therefore, we intend to plug and abandon the wellbore. Plugging procedure is being formulated and will be submitted to your office within the next 30 days. Plugging operations will commence upon your approval and working interest approval.
