The site diagram illustrates the layout of a wellhead area. At the top, a north arrow points towards the top of the page, labeled "NORTH". Below the arrow, a rectangular box is labeled "Meter House". To the left of the meter house is an oval labeled "Separator". Further left is a large rectangular area labeled "Pit". Inside the pit, there are two circular tanks: the top one is labeled "100 Barrel Tank" and the bottom one is labeled "Steel Tank". To the left of the pit is a circle with an 'X' inside, labeled "Well Head". The diagram is oriented with North at the top. A scale bar at the bottom indicates "Not to Scale".
