I previously submitted a sundry notice stating that this well had been returned to production. This is incorrect. After swabbing the well for three days, the well was incapable of flowing continually. A rod pump and pumping unit will be installed on this well to lift water so that production can be returned. I asked that we be allowed until November 1 to complete this work.

14. I hereby certify that the foregoing is true and correct. <b>Electronic Submission #35940 verified by the BLM Well Information System</b> <b>For DUGAN PRODUCTION CORPORATION, sent to the Farmington</b> <b>Committed to AFMSS for processing by STEVE MASON on 09/13/2004 (04SXM2006SE)</b>
