Dear Ms. Bailey,

Attached please find an **Amended** Form C-102 and offset well production data to support the proposed production allocation.

After logging the well and review, it was decided not to complete in the Tapacito-Gallup pool at this time. Because of this, we wish to remove the Tapacito-Gallup pool from the approved DHC-4437.

If you have any questions, please contact me at 713-495-6537.

Thank you,

Bridget Helfrich
