Ten pump jack weights were stolen from this well. The weights weight approximately 150 lb. each. The theft was noticed at 1100 hrs Friday, 9/2/2011. The Navajo Police in Crowpoint, NM were notified. The well was shut-in to wait on tubing repair. The pumping unit was a beam balanced type, so the weights are the type that are mounted on the walking beam. The weights are not marked in any way.
