13 Describe Proposed or Completed Operation Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Tiffany Gas Co., LLC acts as agent for the lease operator Vallecito Gas Co., LLC. Tiffany has forwarded the 10-26-11 letter from the Farmington BLM office to the operator of record and to the other working interest owners to advise them of the procedure and requirements to P&A the well. As of this date no consensus has been received from all parties involved as to what option will be taken on the well.

Tiffany will advise you of the operator's decision upon its receipt of same. Tiffany wishes to request a 30 day extension of the November 27, 2011 deadline during which time it will continue to correspond with the parties involved to get a unanimous decision in order to comply with your requirements.
