13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

Burlington Resources has changed the dedicated acres on the attached plat from 320.00 acres S/2 dedication to 315.50 S/2 for the Dakota formation only on this well.

A sundry was submitted in Sept. 2010 requesting to change both zones to 320 spacing in error and it should have been for the MV zone only. Please make the needed changes to the DK dedication. A revised plat is attached.
