13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Please reference demand letter dated 02/07/2012

The above mentioned well was expected to return to production the end of January 2012. The surface is ready for the tank replacement however we are waiting for a crew to replace the tank.

BP respectfully requests permission to leave well shut in until crew is available to replace facilities tank. BP expects this well to be restored to production prior to July 15, 2012.
