13. Describe Proposed or Completed Operations

We are requesting to change the name of this well from the San Juan 32 Fed 22 #2A to the San Juan 32 Fed Com 22 #2A, adding "COM" to the name. This well is part of a COM agreement and the parent well in this section include the "COM" in the name and has a NMOCD assigned Property code that this well should match, but doesn't because of the different name. This change will facilitate proper production reporting with the NMOCD.

The COM agreement number that this well falls under is NMNM-102969 and the effective date for this agreement was 9/1/1999. Attached is the revised C102 which includes the new name and NMOCD assigned Property Code.

14. I hereby certify that the foregoing is true and correct.
