Breach C #248F Well

Section 13: W1/2NE1/4
Township 26 North,
Range 6 West, N.M.P.M.
Rio Arriba County, NM

Dear Mrs. Cornell:

Reference is made to the Bureau of Land Management-Farmington Field Office ('BLM')-Seasonal Drilling Restrictions on Ensenada Mesa also known as the BLM Closure, in effect each year May 1 through July 31, during which XTO Energy Inc. ('XTO') drilling and completion operations is restricted on Owner Fee property unless so waived by Owner.

In as much as Owner and XTO have entered into a Surface Use and Compensation Agreement dated September 18, 2008 covering the Wells and a January 18, 2012 Letter Agreement revising the pipeline and access road alignments associated with the Breach C #248F Well which also allowed for 'drilling' only during the BLM Closure, XTO respectfully requests Owner Waive the BLM Closure as described next below.

Owner agrees to this Waiver of BLM Closure as it applies to the Wells to be drilled and completed by XTO on the above described Owner Fee properties and hereby waives the Seasonal Drilling Restrictions on Ensenada Mesa during the closure period.

If you are in agreement with this Waiver of BLM Closure, please indicate your acceptance below by *signing* and returning this Waiver via e-mail to Paul_Lehrman@xtoenergy.com. If you have any questions, please feel free to call Mike Simone at 970-560-5606.

Sincerely yours,
XTO Energy Inc.
