If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, A Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

At the request of Mr. Kurt Sandoval with the Jicarilla BIA, the location has been rotated 180 degrees so that the pits will be uphill. The outer corners of the pad will remain the same but the well location moved slightly. Attached is a new plat and location diagram. All other aspects of the APD package will remain the same.
