FROM: Jim Walker 

SUBJECT: Sundry Notices from Hart Oil & Gas Co. for Conversion of Mesa Gallup Unit
Injection Wells: Nos C-3, C-5, 11, and 5

My comments are:

MITs will be witnessed by an EPA representative and well must pass MIT before conversion is recognized by EPA.

If conversion fails to yield oil in paying quantities within 30 days of conversion, the well must be plugged and abandoned within 60 days.
