Encana Oil & Gas (USA) Inc. filed an APD for this location on 05/21/12. After the APD was filed, Encana was requested to change the access road alignment to better accomodate the proposed well pad and proposed sandstone pit.

As a result of the new road alignment, the proposed access road on BLM increases from 65 feet to 70 feet and the proposed pipeline on BLM increases from 232 feet to 234 feet. A revised pipeline survey plat and topo map are attached.
