13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

BP America Production Company received BLM Notice dated 12/09/13 for the subject well requesting its status. BP respectfully request to keep the well in shut-in status, as we are currently working to get tribal approvals for the ongoing soil remediation efforts. Once we get the tribal approvals to continue our work, our plan is to bring this well back to production.

BLM Notice attached. *SI approval until 6/1/14.*
