BP America Production Company applied for and received approval to re-perforate the subject well 01/29/2014. Please note the work to re-perforate this well's formation has not started. This is notification we were able to get some production from this well in February 2014. BP plans to start the workover operations on this well in March 2014. After we have re-perforated the Dakota formation, I will submit the C-104 and C-105 to include the existing & new perms.
