13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 1103. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

When the rig scheduled to drill this well was preparing for move to our location, the derrick fell rendering the rig inoperable. This has caused a delay in our ability to drill the well. We have located another rig to drill this well within 2005. We request a six (6) month extension of the previously approved APD to allow us the necessary time to drill and complete this well in 2005.

To: 8-30-2006

I hereby certify that the information above is true and complete to the best of my knowledge and belief. I further certify that any pit or below-grade tank has been/will be constructed or closed according to NMOCD guidelines , a general permit or an (attached) alternative OCD-approved plan .
