Re: San Juan 28-7 Unit #257E, 30-039-22623, O-19-28N-07W

Dear Jerry:

I received your letter dated June 4, 1996, in which you detailed mid-year production projections. Your recommended allocation based on annual mid-year production projections for the existing Basin Dakota and attribution of any production over these projections to the Blanco Mesaverde is hereby approved for the referenced well.

Yours truly,

Ernie Busch
District Geologist/Deputy O&G Inspector
