Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.)

Encana Oil & Gas (USA) Inc. (Encana) wishes to submit an updated C-102 for the Escrito L14-2408 03H well, which corrects the pool name and pool code for this well. The C-102 submitted with the APD on April 10, 2014 lists the pool name as Escrito Gallup (associated); however, the pool name should be Dufer's Point Gallup-Dakota and the pool code should be 19859.

Encana requests that the C-102 attached replace the C-102 submitted with the April 10th APD.
