Due to the current location of equipment and activity on the well pad relative to the pit location, WPX is unable to set a pit marker and take representative photographs of the pit. After equipment is moved off of the well pad, the well pad will be reclaimed, a pit marker will be set, and representative photographs will be taken. Following this activity, WPX Energy will submit the temporary pit closure application. WPX Energy is anticipating the pit closure application to be completed by August 23rd, 2014.
