On 01/11/05 BP America Production	Company submitted an a	application	on for permit to dril	l and complete the	subject well into the Basin
Dakota; produce the well in order to establish a production rate, isolate the zone, then add the Blanco Mesaverde and commingle production Downhole. APD was approved 02/25/05. BP now seeks NMOCD approval to Downhole commingle production in the					
subject well as per procedure on reverse side of this Form.					
The Basin Dakota (71599) & the Blanco Mesaverde (72319) Pools are Pre-Approved for Downhole Commingling per NMOCD Order R - 11363. The working, royality and overriding interest owners are the same in the proposed commingled pools therefore no
