Dear Sharon:

The 2005 Packer Leakage Test on the referenced well indicates communication between the producible zones.

In order to comply with Rule #112A, you are hereby directed to initiate remedial activity and retest the well to show separation of the zones prior to March 10, 2006.

Reference CTP0533630239 on all future correspondence

Notify the Aztec OCD in time to witness the retest.

Thank you,
