13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

In response to your letter dated December 6, 2005, XTO Energy inc. proposes to continue with temporary abandonment of this well. XTO will re-pressure test the well to ensure the plug is being maintained appropriately for the temporary abandonment. At such time that we determine whether to return this well to production or permanently abandon the well, XTO will submit a notice of intent.
