FORMATION					
GAS		PERCENT		CONDENSATE	
PERCENT		PERCENT			
<b>MESAVERDE</b>		<b>73%</b>		<b>100%</b>	
<b>DAKOTA</b>		<b>27%</b>		<b>0%</b>	
<p>JUSTIFICATION OF ALLOCATION: Original allocation did not include allocation for condensate because the well did not make oil during the production test. This is an update to the condensate allocation only, based on formation yields from offset wells. Gas allocation will remain the same.</p>
